## Tariq Nasheed

From Wikipedia, the free encyclopedia

**Tariq Nasheed** (sometimes nicknamed Tariq Elite,<sup>[1]</sup> King Flex,<sup>[2]</sup> and K-Flex<sup>[3]</sup>) is a <sup>[4]</sup><sup>[5]</sup> author, documentary film producer, media personality, satirist, Internet radio host, relationship expert,<sup>[6]</sup> and social commentator, focusing on the psychology of dating and African-American social history.<sup>[1]</sup><sup>[4]</sup><sup>[7]</sup>

Nasheed's books on dating and finding women include *The Mack Within*, *The Elite Way*, and *The Art of Mackin*,<sup>[8]</sup><sup>[9]</sup> which has been called "something of a classic."<sup>[3]</sup> Nasheed has also authored two advice books for female readers: *Play or Be Played: What Every Female Should Know About Men*, *Dating, and Relationships*<sup>[8]</sup><sup>[10]</sup> and *The Art of Gold Digging*.<sup>[11]</sup>

His television appearances include *The Tonight Show with Jay Leno*,<sup>[12]</sup> *Late Night with Conan O'Brien*, MTV's *Made*, *Flavor of Love Girls: Charm School*, and the Current TV series *Joe Gets*.<sup>[13]</sup>

**CLEARLY** Tariq Nasheed has taken his 'mack'in' skills and applied it to a new genre for making money. I thought it was possible that my FaceBook friends who were marking "Hidden Colors" were "Americanized Negros", unable to see beyond American Political Opportunism and the present contradictions with 'US Imperialism' that 'Living Vicariously Through Obama' is going to further destroy their credibility.

Now I am certain they are fraudulent by inference.
